Why not consider Arkaroola for your next corporate convention, conference or wedding?

600 km north of Adelaide in the Northern Flinders Ranges, our truly remote setting offers peace and tranquillity but with all modern communications available; no mobile phones to worry you yet you can still keep in touch with your business by telephone or the internet:

- 2.4GHz wireless network (broad-band satellite access)
- Email
- Internet
- Facsimile

During summer months our normal tours are still in operation but with slightly altered starting times to take advantage of cooler mornings and evenings.

Please refer to our standard brochure (attached) for details of our tours and other activities and facilities.

Experience the relaxed and remote outback and stay in touch with home
